How to install your templates

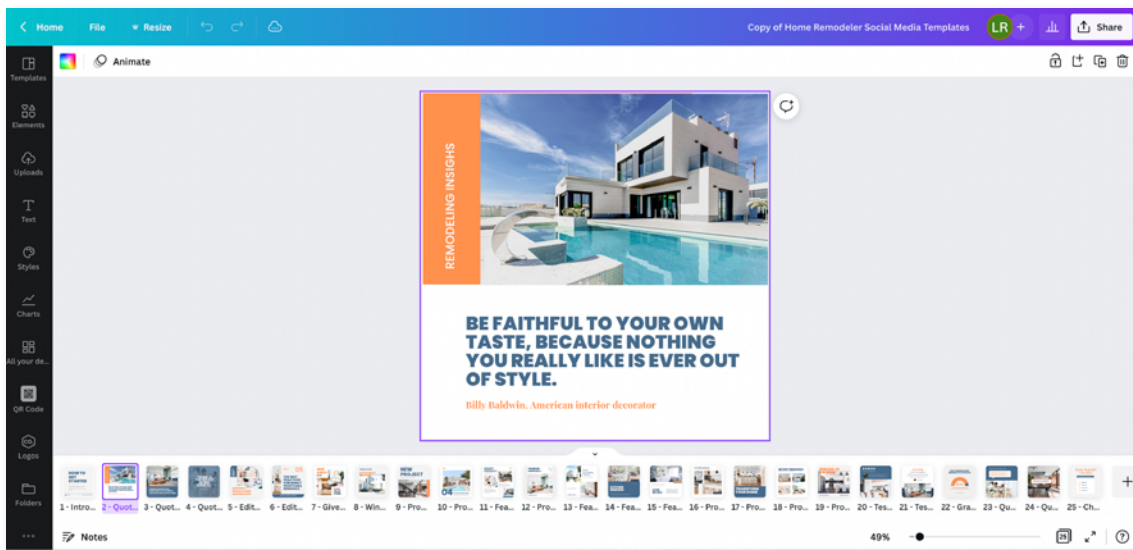

CREATE A CANVA ACCOUNT BEFORE ACCESSING

This Template is edited with the free Design platform Canva. You will need a www.canva.com account to edit this template. If you don't currently have a canva account. You will need to register for one before downloading this template pack.

How to edit your templates

If you haven't used Canva before I suggest you visit **Canva Design School** and watch some video tutorials. Don't worry Canva is very easy to use and this won't take long.

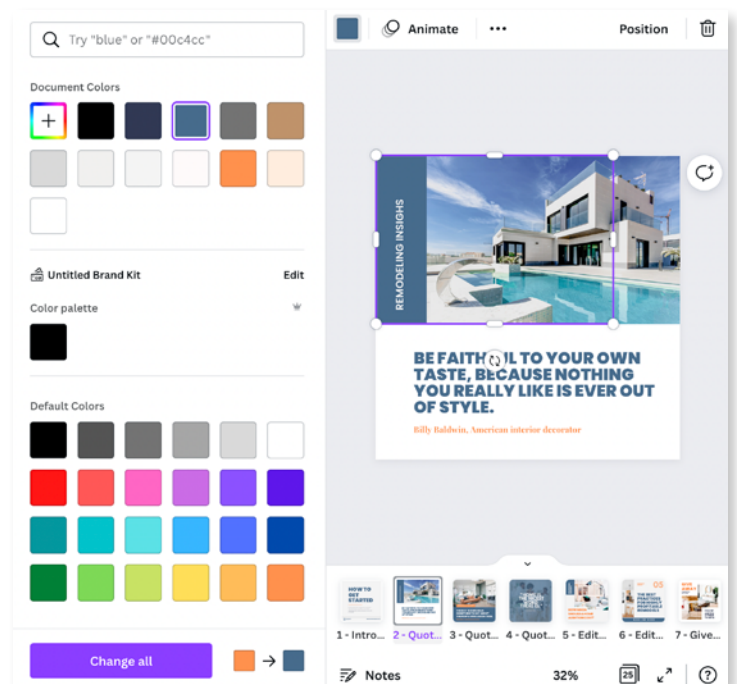

LEARN HOW

CHANGING COLORS

To change the colour of a design element or background:

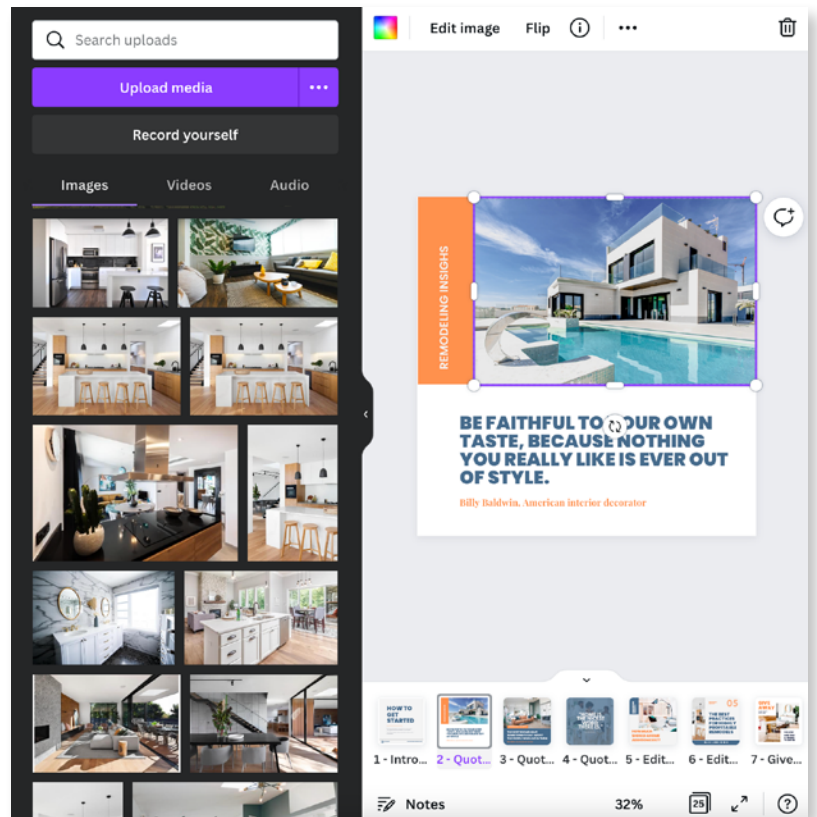

1. Select the element.
2. Select the colour swatch on the top left hand corner.
3. Change the colour to whatever you desire.

CHANGING IMAGES

To add you own images / logo:

1. Click on the Uploads tab from the side panel.
2. Click on the green Upload an image button.
3. Select the file you wish to upload.
